Discerning Pressure Ulcer Care From Documentation

NATIONAL
PRESSURE
ULCER
ADVISORY
PANEL

October 25, 2002

Hilton Orlando Altamonte Spring
350 S. North Lake Blvd.
Orlando, Florida

This special conference is designed for risk managers, medical directors, legal nurse consultants, health care attorneys.

The NPUAP is the nation's premier leader in pressure ulcer education, research and public policy.

Discerning Pressure Ulcer Care From Documentation

CONFERENCE OBJECTIVES:

Identify standards of care in prevention and treatment of pressure ulcers

Describe techniques to discern care provided from documentation

COME AND DIALOGUE WITH EXPERTS ON:

- The difference between pressure ulcers and other wounds
- Deep tissue injury, a new classification of pressure ulcers
- Today's standards of care for pressure ulcer prevention and treatment in acute care, long term care and home care
- Nutritional needs for pressure ulcer prevention and healing
- Pressure reduction and pressure relief support surfaces
- Current legislation on quality indicators
- Quality assurance and continuous improvement
- Staff training and education issues in pressure ulcer care
- Local and systemic complications of pressure ulcers
- Palliative care for patients with pressure ulcers

PROGRAM
