NATIONAL PRESSURE  
ULCER ADVISORY PANEL

## Monograph: *Pressure Ulcers In America: Prevalence, Incidence, and Implications for the Future*

This monograph is written for clinicians, policy makers, regulators, researchers, educators, and third-party payers who are in a position to improve the quality of care for those at risk for pressure ulcers as well as their families. The NPUAP invites readers to use this publication to make the evidence-based changes necessary to reduce pressure ulcer incidence and prevalence over the next decade.
